* * * * * * * * * *

Mayor Dorn again called the meeting to order at the hour of 10:45 p.m. with all Members present except Council Member Fernandez.

127.2 COUNCIL INITIATIVES:

Council Member Horton:

Reported that members of the public have asked that an aircraft study be done to verify

airport noise increase.

Council Member Fernandez returned in the Council Chambers at the hour of 10:46 p.m.

Commented that in reference to amending the Charter, there is an item that needs to go back before the people and that many issues need to be submitted back to the Charter Study Committee.

Commented that he grew up in the City and that the City had a 8+ million dollars deficit and a 1.3 million loss was because of a lack of balancing the checkbook. He discussed some of the history of the City and its progress.

Council Member Dunlap:

Read from a newsletter entitled Noise, a national organization to ensure a sound control environment.

Council Member Fernandez left the Council Chambers at the hour of 10:40 p.m. and returned at the hour of 10:55 p.m.

Reported that she attended a conference this past summer regarding noise groups and

noted that the City was one of the original members of this group and commented that she spoke concerning low frequency noises. She noted that she has yet to hear people accept that they created the problem.

Council Member Fernandez:

Commented that in reference to items brought forth tonight that he was hopeful that people understand that he truly believes in the Council-Manager form of government.

In reference to noise insulation, he commented that he was in support of giving the City Administrator the opportunity to work with Ms. Kennard concerning airport issues but noted that there will be a lot of unhappy people if an agreement is not reached.

Council Member Kirkley:

Commented that there was a comment made earlier that none of the Council Members bothered to look at the Workforce Investment Act. He added that the Mayor had given him a copy and he looked at it. He noted that in reference to the definition of AChief Elected Official in general it is not absolute and that his only concern was what was needed to protect the employees.

In reference to comments made about El Segundo, he commented that the Council=s responsibility was to the citizens of Inglewood.

Questioned how a democracy can exist in the City if any one member can stop the action of the entire Council and noted that rights needed to be clarified.

Mayor Dorn:

Commented that when one looks at the statutes, noting in general is said when Chief Elected Official is defined. He also pointed out that the Charter cannot be amended by ordinance. Additionally, he noted that he has not refused to sign anything before and the reason for his refusal to sign a document at this time is because it is in violation of statutes.
