PUBLIC HEARING HELD - PRELIMINARY BUDGET FOR THE FY 2000-2001 CONSOLIDATED PLAN GRANTS. The City Clerk announced that the next scheduled matter was a public hearing to receive public input on the preliminary statement of objectives and projected use of funds for fiscal year 2000-2001 Consolidated Plan Grant Programs which include the Community Development Block Grant (CDBG), HOME Investment Partnership Act Grant (HOME), and Emergency Shelter Grant (ESG), that notice of this hearing has been given in the time, form and manner as required by law, the affidavit was on file, and no communication was received on the matter.

The City Administrator presented staff report dated June 27, 2000 submitting background information.

Mayor Dorn ordered the staff report dated June 27, 2000 received and filed.

Pamela Thigpen gave a brief presentation on the three programs the City participates in. In addition, she referred to charts on display designating the eligible areas and amounts to be allocated. She noted that the final recommendation with public input will be presented to the City Council on July 11, 2000.

Mayor Dorn inquired if there were any persons present who wish to address the City Council on this matter.

Betha Argus, Didi Hirsh, commented that they were not notified that their grant would not be renewed and without these funds they would not be able to service the community in outreach services.

Michael Stevens commented that funds can be used for sound insulation and the city is only allocating \$100,000. He requested Council to extend the time line for English surveys to July 11th. In reference to allocation of funds, he suggested using \$800,000 to repay HUD 108 loans.

Beverly Williams encouraged continued support for Inglewood Neighborhood Housing Services.

Council Member Fernandez left the Council Chambers at the hour of 8:42 p.m.

Cecil Smith requested continued support of sound insulating of homes without signing avigation easements. He expressed concerns about the city, his neighbors, airport noise and pollution.

Jennie Thomas, Saint Margaret=s Center, thanked Council for supporting the center last year, outlined some of the goals of the agency, and requested continued support.

Velma Slaughter, District 1, commented that residents who are affected with airplane flying over their homes should be allowed to get 100% of the CDBG funds to have their home insulated.

Robbie White-Groom encouraged continued funding for the Inglewood Neighborhood Housing Services.
Michelle Autry, District 4, requested funding for an agency which provides tutoring and after school activities.
Council Member Fernandez returned in the Council Chambers at the hour of 8:53 p.m.
Paul Russell, District 2, commented that there are good programs on the staff report but the agenda had been juggled around. He inquired about the time line for surveys and low response from the public. He further commented on the lack of public notification for surveys and the Church of God Pentecostal seeking additional funding.
Melinda Martin requested continued support for Inglewood Neighborhood Housing Services.
James Beasley, District 1, inquired where he would obtain a list of new businesses coming into the city. He commented that he would like to see the Police get a pay increase.
Diane Sambrano commented that Council should make sure that funds go to the people who qualify not to agency administration.
Aldene Sligh, District 1, commented that CDBG funds should be used for sound insulation of homes.

Gilbert Mathieu, District 1, outlined some of the services Inglewood Neighborhood Housing Services has done for the City and encouraged continued support for the program. He commented that INHS has brought pride to the City and it has been one of the few organizations to purchase a dilapidated building in downtown and had it rehabilitated to a first class office building.

Council Member Dunlap left the Council Chambers at the hour of 9:02 p.m.

Ethel Brown commented that Council approved funds for facade improvements to Dr. McClendon and inquired why homes cannot be sound insulated with CDBG funds.

Council Member Fernandez left the Council Chambers at the hour of 9:06 p.m. breaking the quorum.

Mayor Dorn again called the meeting to order at the hour of 9:17 p.m. with all Members present except Council Members Fernandez and Kirkley.

Dr. Marilyn Douroux requested that information be given to the public and that there should be a coming together between LAWA and the city.

Mayor Dorn declared the meeting recessed at the hour of 9:19 p.m.

* * * * * * * * * *

Mayor Dorn again called the meeting to order at the hour of 9:29 p.m.

Pat Sanders, District 1, commented that there are several displayed senior citizens that have taken advantage of Inglewood Neighborhood Housing Services and requested

additional funding for the program. She also requested additional funding for sound insulation.

Council Member Fernandez returned in the Council Chambers at the hour of 9:31 p.m.

Larry Springs, District 1, expressed continued support for additional funding to Inglewood Neighborhood Housing Services and sound insulation.

Velma Anderson, District 1, commented that more funding is needed for sound insulation of homes and requested pay increase for police and housing issues.

Nzinga Owolo, District 3, expressed her concerns about residents not getting funds, lack of property maintenance in the city and using CDBG funds for Market Street improvement instead of using the money for sound insulation.

Elizabeth Khoury, District 1, commented that she would like to see more funds allocated for sound insulation. She gave the City Clerk 75 copies of the surveys for the record.

No other persons wishing to address the City Council on this matter, Mayor Dorn declared the public hearing closed at the hour of 9:40 p.m.

Council Member Dunlap expressed concerns that residents are not allowed to speak during the public hearing and she was very disturbed regarding comments made by the City Administrator. She further commented that community meetings are usually held in addition to the Public Hearings and was disappointed at the lack of community input. In addition she commented that Council is only allocating limited funding for sound insulation and expressed concerns about the misinformation given to the public and the continued interruptions by the Chair. In reference to HUD 108 loans, she commented that

\$800,000 has been allocated and inquired how is the City going to repay it. She expressed concerns regarding notices not sent to service agencies and suggested increase lighting for the City and new light poles.

Mayor Dorn commented that the public hearing is not to determine how 108 HUD funds are to be spent. In reference to CDBG funds and sound insulation, he commented that there were two steps that must be met before CDBG funds can be used to insulate homes. Residents must live in the FAA corridor and must qualify for funding.

Council Member Horton requested staff to elaborate on the deed restriction associated with using CDBG funds for sound insulation.

Pamela Thigpen commented that there are no deed restrictions on the use of funds however the incomes= restriction does apply and one must be of low or moderate income per HUD standards.

Council Member Horton inquired what those income levels were.

Pamela Thigpen commented that a family of four cannot make an income exceeding \$48,000, a family of two, \$32,000 and a family of one, \$20,000.

Council Member Horton commented that it was important for everyone to know that these income restrictions assigned to CDBG funds are significant and that many of the residents will qualify including senior citizens who are on fixed income. He further commented that the contours need to be expanded in order to accelerate funds.

Council Member Fernandez outlined some of the areas funding will be allocated and commented that there is nothing wrong with these expenditures but to place everything in one area is wrong. He commented that everybody knows Darby-Dixon is plagued with crime and it=s an area that is definitely in need beyond other areas and encouraged Council to work together and support grading the lighting in the area. Finally, he commented that maintenance of streets, sidewalks, sewers and gutters must be addressed.

Council Member Dunlap inquired how Council can vote on this proposal when the surveys are not incorporated into the record. She requested Council to delay the vote until all surveys are in and have another public hearing or continue the public hearing.

Council Member Horton commented for the record that there is a considerable number of homeless individuals and he would like to some analysis to see what residents are actually being represented and who is actually being represented in the City. In reference to allocation of funding for street lighting in the Darby-Dixon area, he commented that he supported the use of funds for the area but believed those funds can be better utilized to

address the gang issues by putting together a task force. Finally, he commented that he would like for those funds to be used for specific services that address the specific needs of the area and that he was supportive of structural improvements.

It was moved by Mayor Dorn and seconded by Council Member Fernandez that the City Council does hereby receive input, receive and file summary of public service proposals and present to Council on July 13, 1999 a final statement of goals incorporating any modifications directed by Council.
