Digital Video and Television Production Camp

featuring DV-TV Classes for High School Students

Students will receive "hands-on" training in broadcast camera operations from a staff of veteran and retired television professionals.

Session I: Filming for Television

The course will feature:

- WHITE BALANCING
- BACK FOCUSING
- SHUTTER SPEED
- DEPTH OF FIELD FOCUS
- BROADCAST QUALITY SHOT FRAMING

Saturdays - July 2, 9, 16 & 23, 2005 8:00 a.m. to 11:30 a.m. - Inglewood Playhouse 714 Warren Lane (located at the center of Ed Vincent Park)

SESSION II: EDITING IN FINAL CUT PRO

Students will be introduced to the groundbreaking editing program, Final Cut Pro 4. Learn how to "log and capture" digital footage from the camera to the computer, gain "hands-on" instructions on how to edit from the "time line," and cutting, inserting and applying special digital effects to projects.

Students will also edit and finish a "live performance" video.

Session Two Class Schedule

Saturdays - July 30, August 6, 13, & 20, 2005 - 10 a.m. to 2 p.m. Inglewood Library - Waddingham Lecture Hall 101 W. Manchester Blvd. (1/2 block west of La Brea)

Cost: \$30 per session; \$50 for both sessions. For more information, please call (310) 412-8700
