

SQUEAKY the SQUIRREL NEEDS YOU!

I-CLEAN is a volunteer based litter removal program to help serve the City's community beautification and neighborhood preservation for a cleaner and better Inglewood. **I-CLEAN** is a valuable asset to empower those in the community, who often notice litter and other debris spread around on the ground and sometimes feel frustrated and powerless to be able to assist in cleaning.

Volunteers will be provided the necessary tools, safety vests (vests must be returned), gloves, trash pickers and trash bags at no charge to the volunteer.

Together, **WE** can make a difference. So get involved with helping to clean and beautify Inglewood and together we can make our City one that we all can be proud of.

We're reaching out to **EVERYONE** in the community:

- Individual Volunteers
- Elementary School Students
- High School Students and
- Civic Organizations, including Block Clubs, Neighborhood Watch, Boy Scouts, Girl Scouts, etc.

To obtain a copy of the I-CLEAN Application, please click on the "**Squeaky & I-CLEAN**" hyperlink or visit the Public Works Department at One W. Manchester Blvd., 3rd Floor.

For additional information call 310-412-5333.
